## JUSTIFICATION

The changes to the new edition of the educational-research programme “Philosophy” of the third (educational and scientific) level of higher education, approved by the decision of the Academic Council of Borys Grinchenko Kyiv University on May 19, 2022, protocol No. 5 (order No. 239, dated May 19, 2022), are motivated by the possibilities of implementing the scientific and personnel potential of Borys Grinchenko Kyiv University in the field of preparing foreign citizens in the English language.

The integration of Ukraine into the European Higher Education Area, scientific collaboration of the Department of Philosophy and Religious Studies with international partner organizations, wide representation of research results by academic staff in scientific-metric databases have contributed to the increased interest in the educational-research programme “Philosophy” among potential applicants from European countries.

In accordance with paragraph 8 of the “Development Strategy of Borys Grinchenko Kyiv University for 2023 – 2027”, the working group of the educational-research programme has a strong vision regarding the potential of preparing foreign applicants in the English language.

According to paragraph 2 of the Resolution of the Cabinet of Ministers of Ukraine № 1187 dated December 30, 2015, “On Approval of Licensing Conditions for Educational Activities”, the working group includes PhD, Associate Professor, Professor of the Department of Philosophy and Religious Studies at Borys Grinchenko Kyiv University – Marina Kolinko who possesses English language proficiency at level B2, confirmed by the corresponding certificate.

After conducting consultations, working meetings, and sessions, taking into account feedback from stakeholders, changes, clarifications, and additions were made to the educational-research programme which are contained in Section 1 “Profile of the educational-research programme”.

- p.1.1. “General information” – in terms of the language of instruction for educational components, the English language is used;
- p.1.9. “Academic mobility” – additional opportunities for foreign higher education applicants to study in the English language are provided, and requirements for the level of English language proficiency were established.

The goals, competencies, and learning outcomes specified in the educational-research programme remain unchanged.
