PLR 19	To find the best performing techniques for the implementation
	of the choreographic image.
PLR 20	To search for a variety of approaches to the formation and
	development of a creative person.
PLR 21	To practice communicative skills to build up a creative and
	positive atmosphere in the group.
PLR 22	To demonstrate understanding of the specifics of the financial
	and administrative provision of the production process.
8 -Resource	e provision of the program implementation
Staffing provision	Professional training of students is ensured by the
	teaching staff of Choreography, Fine Arts, Foreign
	Languages and Methodologies, Theory and History
	of Pedagogy, Pedagogy and Psychology
	departments of the Institute of Arts and
	Pedagogical Institute.
	The practice-oriented nature of the educational
	program involves a broad participation of
	practicing professionals corresponding to the
	specialty, which enhances the synergistic
	connection between practical and theoretical
	training.  The head of the project team and staff ensuring its
	implementation meets the requirements specified in
	the Licensing Provisions for the educational
	activities of educational institutions.
Material and technical support	The educational process is carried out in five
and teeminear support	specially equipped training dance studios (the
	center for practical training of choreographers),
	equipped with audiovisual technical means.
Informational and educational-	Visual teaching manuals from the department
methodological provision	funds, library electronic resources, electronic
	scientific and periodicals, electronic training
	courses with the possibility of distance learning and
	self-study, Microsoft cloud services.
